PRESS RELEASE

TSX-V: BMV

Addition to Bathurst Advisory Board

Vancouver, British Columbia (September 16, 2021) – Bathurst Metal Corp. (TSXV: BMV) (“Bathurst” or the “Company”) On behalf of the Board of Directors, Mr. Lorne Warner P.Geo., President of Bathurst Metals Corp. is pleased to announce Dr. Guowei Zhang Ph.D., P.Geo. has agreed to join the company’s Advisory Board. Mr. Warner stated “We’re pleased to welcome Dr. Zhang to the Company’s Advisory Board. His experience and expertise, in particular his extensive knowledge of structural geology, is a welcome addition to the Bathurst team. We were grateful to have him as part of our team on the Company’s just completed Nunavut properties mapping and sampling program.”

Dr. Guowei Zhang PhD. P Geo

Dr. Zhang has over 30 years’ experience as a consulting geologist, well recognized for his specialized work in Structural Geology. He received his Ph.D. From McGill University in 1994 and since then has worked extensively throughout Canada, the United States, Asia and Africa. Dr. Zhang is a Fellow of the Geological Association of Canada.

Lorne Warner, President

Forward Looking Statements

Certain of the statements made and information contained herein may contain forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking information includes, but is not limited to, information concerning the Company's

intentions with respect to the development of its mineral properties. Forward-looking information is based on the views, opinions, intentions and estimates of management at the date the information is made, and is based on a number of assumptions and subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated or projected in the forward-looking information (including the actions of other parties who have agreed to do certain things and the approval of certain regulatory bodies). Many of these assumptions are based on factors and events that are not within the control of the Company and there is no assurance they will prove to be correct. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. The Company undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change except as required by applicable securities laws, or to comment on analyses, expectations or statements made by third parties in respect of the Company, its financial or operating results or its securities. The reader is cautioned not to place undue reliance on forward-looking information.
